

The S'Mart Community is the St Martins School parent community (replacing the PTA and fundraising committees) that helps the school by fundraising, giving practical support and by helping develop a stronger parent community.

Hopefully everyone had a great break over the summer holidays and weren't too sad to see your children head back to school! We seem to be having some great summer weather now that they're back... If you're keen to be involved in fundraising, practical jobs around the school, social events for your class/pod or school community, the managing committee would love to hear from you! Please email Jo at chair@smartcommunity.org.nz, or talk to us at the Back to School Family Picnic

SHARE – the St Martins School Cookbook

Have you (and all your family and friends!) got your copy of SHARE? It's a perfect memento for each of your kids! We've only received positive, often glowing, comments back on the cookbook – including people who say they generally never use cookbooks! So don't miss out! – you can get a copy or three from the office – or at the Back to School Family Picnic (cash sales only).

If there are any sales and marketing people out there who could assist us with wider sales, the cookbook team would love to hear from you! Please email Jo at chair@smartcommunity.org.nz
