

## New Secondhand Uniform Service

We have joined a new service called **Uniform Me™**, which lets you buy and sell secondhand school uniform from home. All you need is an internet connection and you are away!

There are no success fees to worry about, and probably no postage, as the people you are trading with are usually other parents at our school.

To start using this new system, simply follow the steps below:

1. Go to [www.uniformme.co.nz](http://www.uniformme.co.nz)
2. Register (all you need is an email address)
3. Start buying and selling uniform

Some other great features of Uniform Me™ are:

- ✓ Available 24/7 with no limit on usage
- ✓ You can donate uniform (or the proceeds) to the school if you wish
- ✓ You can post "wanted to buy" ads
- ✓ You negotiate directly with the seller – there is no 'middleman'
- ✓ You will save time, hassle, and money!

There is full information on the Uniform Me website, [www.uniformme.co.nz](http://www.uniformme.co.nz), or you can contact us at: [admin@uniformme.co.nz](mailto:admin@uniformme.co.nz)
