(Kids welcome – they usually form a great gang and have a fun time!)

STARSHIP MOBILE PHONE APPEAL

In just five years the Starship Mobile Phone Appeal has raised almost two and half million dollars to keep the **Starship National Air Ambulance Service** flying. Schools have participated by collecting unwanted mobile phones and swapping them for a wide range of rewards whilst raising funds for this worthy cause.

This is how it works: **if you have old, unwanted mobile phones lying around, drop them off in the collection box in the school office foyer.** Not only does every phone count towards our school's preferred reward, but they also help fund the Starship National Air Ambulance whilst serving as a valuable recycling initiative.

It's a triple whammy!!!

- Help raise funds to keep the Starship National Air Ambulance Service flying.
- Support our School's chosen rewards from the Starship Mobile Phone Schools Campaign (i.e. cameras, sports packs, i-pads and book vouchers).
- Helps to ensure NZ landfills are free of hazardous toxic substances from mobile phones.
