GRATEFUL DOGGIES

Remember the superduper School Disco and how the Student Council chose Dogwatch as their charity of choice supporting it with 25% of the funds raised? Well... they received a nice thank you letter from the manager of Dogwatch letting us all know they really appreciate the donation. Well done everybody!

Hi to everyone on the Student council at St Martins School.

This is big thank you for your very kind donation to our Dogwatch rescue centre. All the funds you donated will go towards desexing some of our rescues so they don't have any unwanted puppies.

Here at Dogwatch we take in dogs from 4 pounds, if their owners have not claimed them, and no one else wants to adopt them then the councils have the option to destroy them or they contact Dogwatch to see if we can take them into our shelter and find forever homes for them. Running a rescue centre like ours take a huge amount of money and recourses, so when anyone donates to our cause we are very appreciative as every dollar helps in some way.

If you have not already been onto our website (www.dogwatch.co.nz) then go and have a look, also check out our Facebook page. Even better pop on in for a visit to have a look around.

*Kindest regards
Pam Howard
Manager*

TOUCH IS ALMOST HERE

Only a few more sleeps and our world famous Touch competition will kick off on **22 October**. No less than fifty (50!) teams entered this year and we would like to thank all the coaches and managers for entering your team and player details.

If you're coaching a team and haven't organised some trainings already, get the kids together for a run around the park, a passing practice and some drills with the old pill... practice makes perfect and it's fun too!

An email with the draws and game times will be sent out early next week, and there should also be info about a coaches/managers workshop soon, so keep an eye out.

Good luck everybody!
