

Kitchen Herb Gardens

Do you really think that going all the way out to the garden to collect some herbs for cooking is necessary? Imagine if you had a mini herb garden **at your fingertips!** Sounds silly right? But it is now a reality, thanks to the **S'Mart Tank** group that have gone one step ahead and created a product that makes your everyday life so much easier!

The prices are in a range of \$20 - \$25 as it depends on what you order and how many herbs you order.
