Second Hand Uniform Sale Friday 8th November

We are currently trying to run a 2nd hand uniform sale every 2nd Friday while there is still interest. Next sale will be Friday 8th Nov.

Also we are in need of more larger sizes of uniform, so if you have some size 10 and up uniform hiding in the back of wardrobes or under beds, now is a great time to get some money for it.

This is how we would appreciate the uniform being handed in to us with the name of the person selling, the size and simple description, cell phone number and how much you want to sell it for.

The cash then gets put into your envelope and handed back to Diane at the Office who then gives you a call to let you know there is some money waiting for you.

You can choose to donate your clothing, in which case you just need to hand it in to Diane and we'll price it and the money will go into the Jubilee Trust which helps families at St Martins who are struggling to pay for school trips, uniform etc.
