IT'S ON!!!! School Fiesta

Save the Date: 21 November 2020

Fiesta planning ...Now we're really all a-go!

Since we're into Term 4! After the Disco festivities are over, keep putting aside those items for the White Elephant stall...keep growing those plants....there's always room to be involved in the planning, and of course, we'll be seeking your help closer to the time as things get organised.

By the way, we're still seeking additional sponsorship for entertainment activities in particular – or if your workplace has any products you think might be useful for the Fiesta e.g. pots for plants, food items or anything reallywe'd be keen to have a chat with you!
