SCHOOL UPDATE

And here we are at the end of the term already. There has been lots of fabulous learning both in and out of the classroom, all children have been involved in a number of hands on learning opportunities. Thanks to the parents for supporting the children's learning at home and at school. We are into our second day of Marae visits this week. The children have enjoyed the opportunity to visit Rāpaki Marae to listen to the cultural narrative of the Marae and the area we live in. Thank you to the parents joining us on this learning experience. We would like to acknowledge Matt for offering to join each trip to lead us onto the Marae.

This week we have our first Y7/8 class sharing their learning in our assembly. We look forward to the students in High Fliers 2 sharing with us. The NE – Y4 children will be in the first assembly 1.30 – 2.15 and the Y5 – 8 children in the 2.15 – 3.00 session. We look forward to being able to join together as a school in a refurbished hall in the latter half of term three.

Next week we finish the term with our end of term assemblies, we will be presenting the Effort, Values and Learning awards for each class.

A reminder that we finish the term with learning conversations. This is a time to connect with your child's teacher. Discuss how they have settled in for the term, values that are strengths and those that your child is working on, any aspects you would like to discuss and what your child's teacher has noticed about their learning so far. If you haven't booked in already please use the following;

- Go to www.schoolinterviews.co.nz
- Enter code 5fh7f
 - or click on the link
<https://www.schoolinterviews.co.nz/code?code=5fh7f>
- Enter your name, child's name, room
- Select your child's teacher
- Select the time you would like to meet

Online bookings will close on Monday 12th April. If you do not have access to a computer to book online please contact Michele in the office (ph 332-6121 ext 701) to make an appointment for you. School closes at 1pm on Thursday to accommodate the learning conversations.

As this is our last newsletter for the term we wish everyone a safe and enjoyable break. We hope that you can make the most of having your children home for the two weeks.

PROPERTY UPDATE

You may have noticed the Lachie Memorial Garden is underway. We have the first of our nests being created. The aim is to have planting completed by July. Thank you to the families and children who will be contributing their time and creativity to create this wonderful environment.

We are getting closer and closer to our next building work. The hall refurbishment has gone out to tender and to the council for consent. The property committee will be looking at the tender proposals next week, we anticipate to make a decision by the end of next week regarding who will undertake this work. The proposed timeframes are approximately 16 – 18 weeks of building.

We are also getting closer to finalising the plans for the new two classroom block being built by the Ministry of Education. We have one last aspect to negotiate and sign off before this goes in for consent.

It is anticipated that the two building projects will at some stage be happening at the same time. This means we will be a bit pushed for space, however we are planning to be able to continue the music programme, Garden To Table and Homework Club in different spaces.

SCHOOL NOTICES
