SCHOOL UPDATE

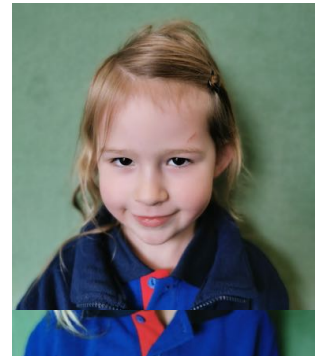

Kia ora e te whānau,

We gear up for our first camp experience next week. We hope that we have wonderful weather for the week. Although the dusting of snow this week was delightful, great that we have had it before our campers are away. We know that camp experiences are always a highlight of our tamariki's schooling. Thank you to the whānau and kaiako supporting the children on camp.

Congratulations to the Y5 - 8 ākonga representing their classes in the Manu Kōrero competition this week. We were very impressed with the way the children presented to a large audience. Always nice to hear about whānau background and special people, places and pets. Next week is Te Wiki o Te Reo Māori | Māori Language Week. We are very much looking forward to the Manu Kōrero presentations from the NE - Y4 area of the kura on Rātū | Tuesday. We will have a focus in the classrooms next week as well as the opportunity to take some kōrero into the playground.

As you may know we are focussing on manaaki | respect in the playground. Tamariki are able to collect manaaki tokens in the playground to go towards house points, class awards and individual awards. Manaaki has three key areas: generosity, support and courtesy. This could be as simple as discussing being generous with your time, when someone greets you engage in a short kōrero | conversation or support around looking after each other | ka manaaki au i a koe.

Congratulations to both Y5 / 6 EPRO8, 'The Super Fast Lightning Chickens' and 'The Wrangle Jangles' for making it into the Canterbury Semi Finals. We wish them all the best for the next stage of the competition.

As we move towards term four we start discussing the make-up of classes for the following year. This term we are starting the preparations for the 2023 class organisation. Class placements involve a number of discussions to enable us to make the best decisions for each student. We take into consideration a number of factors, sitting together on numerous occasions to discuss the make-up of groupings. At St Martins School | Hato Mātene we have mixed ability classes, we use the following definition for placing children: groups of children working at similar levels - with consideration of ages, social, behavioural and emotional aspects. As with previous years we extend an invitation for you, as parents, to make us aware of any information that might be relevant to the placement of your child / children. This is an opportunity to give us information that will help us with our process, it is not an invitation to select your child's 2023 teacher. Please be aware that there is a close off for this information - Friday October 21 2022. Please use the [link to the survey to share your information](#).

This week we welcome Hazel, Lilah, Linnea, Natalia and Lexi to St Martins School | Hato Mātene. We hope you enjoy your time with us and look forward to your contributions to school. Have a great weekend everyone.
Ngā mihi,
Andrew
