

**Information informing this plan**

**Whānau and Staff Consultation focus areas**

**ERO profile report**

- continuing to develop its localised curriculum so learners have increased opportunities to experience a curriculum that responds to their cultures, languages and identities, including use of te reo Māori
- strengthening school wide practices that foster positive behaviour for learning, including whānau and community involvement

**NELPs**

**Ka Hikitia**

- Te Tangata - Māori learners and their whānau have a sense of belonging
- Te Tuakiritanga - our kura will support the growth and development of the Māori language

**Education Regulations**

- 71.e - strategies for identifying and catering to students whose needs have not yet been well met

**Learning Support Action Plan**

- Priority 5: Meeting the learning needs of gifted children and young people, it is important that the diversity of giftedness is recognised and supported

**MoE Positive behaviour for learning**

- Building on existing programmes to improve supports that safeguard and promote wellbeing, bullying prevention and mental health

**Curriculum refresh guidelines**

- In their first strategic plan, boards should be planning for successful implementation of the refreshed national curriculum
