SCHOOL UPDATE

Welcome to Alex and Riley. We hope you enjoy your time with us and look forward to your contributions to school.

Congratulations to the Y7 / 8 tamariki competing in the Police competency test last week. A timed competition that sometimes has a spread of seconds rather than minutes between teams. Lots of working together to be able to be the quickest through the obstacles. An amazing effort by Isla, Daisy, Kiran and Laurence to win the competition.

Thank you to all of our wonderful whānau members who have been able to join us on our trips to Ferrymead or the art gallery in the past few weeks. Our ākonga | learners have really enjoyed the opportunity to work and learn alongside you.

We certainly had wonderful conditions for running on Sunday with a strong field of approximately 120 runners representing St Martins | Hato Mātene at the City 2 Surf event. Congratulations to all of the participants for getting out and making the most of the day. Thanks to Briana Weaver for organising this event for both our tamariki and the community.

Next week we look forward to our Maths leads having their second session with the Ministry of Education to find out more about the implementation of the new curriculum. We will be sharing this information during our staff only day on Monday 31 March.

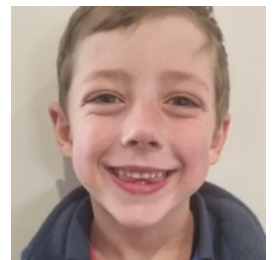

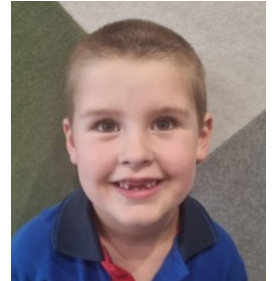

This year our focus areas will be based on implementing the new Maths and English curriculums, continuing our work to enhance Positive Behaviour 4 Learning and embed our Te Reo programme of work across the school. We have new learning to put in place as we continue to learn, develop our understanding and adapt to the changing educational landscape.

As a staff we are looking forward to being involved in a number of student | staff activities. The student council and house captains have organised volleyball, lip sync and an 'are you fitter than a Y8' event. To be fair we already know the answer to the last event.

As always if there is something you would like to chat about feel free to catch Alice, Leanne or myself at the Waharoa most mornings before school.

Kia pai te ra - have a great day.

Andrew

CJCA Year 8 Summer Tournament

Earlier this month three of our year 8 students participated in the CJCA Summer Cricket Tournament. It was a successful tournament for all; Lachie Haig achieved a Century with 100 off 64 balls - the first century the club has seen in a 35 over game. Jack Thomson had the best bowling figures of the tournament, taking 4/16 and Fletcher Hill hit the winning runs for his team in the last game of the tournament.

City 2 Surf

Last weekend SMS was represented at the City 2 Surf by over 100 students, parents and teachers running. It was so great to see the school community come together and get involved in a community event. Our fastest time goes to Kiran Ferguson who ran the 12 km in under an hour! Thank you to all of the parent helpers for this event.
